All the very best!

Traditionally as the farm came to town for the annual A&P show this was an opportunity for the best of farming life to be put on show that attracted a little competitive spirit! For many famers' wives, mothers and daughters who had spent hours perfecting their home industry skills of baking, preserving, growing flowers and vegetables alongside their needlework skills they were competing against each other for best in show as their husbands, fathers and sons did with their animal husbandry at the 'Festival of the year'. We are pleased to continue this annual competition and hope that you will enter into the spirit of yesteryear for this year's show.

We would like to express our sincere thanks to all our sponsors for their support with the Home Industries section of the Katikati A&P Show.
